

Stony Stratford Neighbourhood Plan V20 - Clerk report

V20 of the Neighbourhood Plan (previously emailed) has been amended in accordance with the Independent examiners instructions with a few minor exceptions detailed below:-

Consultation statement: Pg 5 – Inspector commented that it would have been helpful if the statement had demonstrated how the Plan changed as a result of the consultation responses. Cllr R Gifford has confirmed that there have been very few substantive changes to the Plan since the first version. The majority of substantive changes have been requested by the Independent Examiner.

Inspector Report Page	Policy	Change	Reason
15	4	Sustaining the significance inserted instead of and that sustains the significance	More grammatically correct
		Additional sentence not asked for with Community Aspirations 'This would provide an opportunity to improve'	Necessary to make sense of the Community Aspirations
18	9	Inspector requested Boundary line indicating the extent of each site	This is extremely difficult to do and some of the plots are so small they would just be a dot on the map. The text provides details of the plots
	Map 12	Ancell Trust Sports Fields shown as Ancell Trust Sports ground on map	Amended as inconsistent

Lynne Compton, Clerk to the Council
