

Stony Stratford Town Council

Representatives on outside bodies

The nomination of representatives to an outside body is considered annually at the meeting in May. Standing orders state at 5jxi requires a '*review of representation on or work with external bodies and arrangements for reporting back.*' Representatives to an Outside Body are nominated at the request of the outside body – it is not for the Town Council to nominate a representative unless invited.

The following details the role of a representative to an outside body:

- Represent the Town Council on the outside body and appraise the body on policy of the Town Council where appropriate
- Act as the access point for the outside body for Town Council and other more general local government information
- Report back periodically to the Town Council on the activities and needs of the outside body
- Notify Town Council ward members of any activities of the outside body taking place in the ward that might be of interest to the ward members
